RESPONSE UNDER RULE 116

Hon. Commissioner of Patents  
and Trademarks  
Washington, DC 20231

Sir:

In response to the Office Action dated May 27, 1998,  
Applicants offer the following remarks.

Claims 33, 37 and 42-48 stand rejected under the judicially  
created doctrine of obviousness-type double patenting as  
allegedly being unpatentable over claims 1-4 of USP 5,690,933.  
Submitted herewith is an executed Terminal Disclaimer. It is  
believed that the filing of the Terminal Disclaimer moots the  
rejection of the claims. That the Terminal Disclaimer has been  
provided should not be viewed as an indication that Applicants  
agree with the Examiner's position. Rather, the Terminal  
Disclaimer is filed merely to advance prosecution.
